HEAD CHEF

HI THERE - I'd like to welcome you to our restaurant and thank you for dining with us today.

I'm sure you will agree that our surroundings here in Burton Bradstock are absolutely stunning. There are definitely

far worse places to come to work every day!

This menu aims to celebrate our incredible surroundings and the excellent ingredients they produce.

In line with the Hive's ethos, I am incredibly passionate about sustainability and the

environment.

We need to protect our great outdoors for future generations to enjoy and our practices in the kitchen reflect this.

Sit back, enjoy the view and I hope you enjoy your meal with us.

SHANE.
